## To Ladies Who are Stout

That is fatal to health and beauty. Reduce weight sensibly and easily; improve your health and figure. Avoid heart trouble, wrinkles, nervousness, weakness, etc., besides personal embarrassment, due to obesity.

Look and feel younger. Walk uprightly. Let your eyes sparkle with new fervor. Surprise and delight your friends. Be a girl again!

Go to the druggist, get a small box of oil of korein (capsules) and follow directions of the korein system. Reduce 10 to 60 pounds under guarantee. Put all you need (including some candy, if desired) while reducing.

Don't bother about going through tiresome exercises or following rules of starvation diet. Why not become slender without drastic drugs, worry and self-denial? Here's your chance!

## Universal Electric Iron

I'm the "UNIVERSAL" ELECTRIC IRON they are all talking about.

Take me home on trial, attach me to any electric lamp socket, and in less than five minutes I'll be hot enough to do the family laundry.

I'll save the many, many tire-some steps you've had to take in the old way, from hot range to ironing board, and I'll keep your kitchen delightfully cool during the hot summer days.

I'm beautifully finished in nickel, and I glide so smoothly and easily over the daintiest neckwear or heaviest linen, you'll say.

"The Electric Way Turns Drudgery to Play"

Electrically yours,

## PORTLAND WOMAN RECOMMENDS THIS REMEDY FOR ANEMIA

Mrs. Carson Says Dr. Williams' Pink Pills Corrected Numerous Symptoms of the Disease.

"I was saved from a life of semi-invalidity by the selection of the right tonic," states Mrs. C. A. Carson, living at No. 3/High street court, Portland, Me. "I was so run down in health that I was without ambition or energy and was forced to lie down and rest frequently during the day. No matter how tired I might feel, I couldn't sleep well. My stomach was disordered, and the digestive processes were incomplete. I was very nervous, and my failure to gain any relief caused melancholia. I also had a bad cough, which was sometimes so severe that it seemed as though it strained my stomach."

"My mother had told me about Dr. Williams' Pink Pills, and I finally decided to give the remedy a trial. In a few days I experienced the first relief that I had found for a long time, and gradually my strength returned. I sleep well now and am no longer tired or unstrung. I can eat without fear of stomach distress and feel much better in every way. I have recommended Dr. Williams' Pink Pills a good many times and always stand ready to endorse the remedy as a tonic."

Dr. Williams' Pink Pills are sold by all druggists, or will be sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes, \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y. Write to-day for the free booklet, "Building Up the Blood."—Adv.

## WELLS RIVER

Wells River vs. Woodsville Game Won By Latter, 5 to 4.

In one of the best games played on the Woodsville grounds, Woodsville defeated Wells River by a score of 5 to 4. The game throughout was full of interest and showed two teams evenly matched. Mitchell, Woodsville's catcher, caught a hot foul of Bailey's bat in the second, breaking his thumb and necessitating his departure from the game. Boenig caught until the sixth when Sweeney went in and finished the game. Contrary to the agreement with the Woodsville team, a hired pitcher was used to finish the game, but the local boys hit him even harder than the regular man. Stinson's hit for three bases in the sixth was spoiled by attempting to stretch it into a home run, with the result that he was thrown out at the plate. Woodsville played an excellent fielding game, making only one error, while Wells River was piling up five. Brown pitched a good game, allowing Woodsville only five hits, all of which were of the clear cut variety. Notice should be made of the excellent fielding of Chase and the good work of Wilbur and Brown at the bat. Smith of Woodsville secured two hits out of three times to bat, turning each into a run and showing exceptionally good base running. The game was worthy of note inasmuch as we have never been considered a real contender for any game and the betting which, we are told, was fairly heavy considering the teams, made it also a good game to win. We take off our hats to Woodsville and its hired pitcher.

Summary: Based on bases—off Brown 4, off McCauley 2, off Barber 2, two-base hits—Chase, Brown, Threese—hits—Stinson, hit by pitcher, McCauley, Aldridge, Smith, Strie—knot—by McCauley 4, by Barber 3, by Brown 5, Passed ball—Sweeney, Umpire—Sault. Attendance—250.

## WHAT GOOD IS WEALTH

If you are in poor health, if almost everything that you eat distresses you, frequent headaches, pains in the stomach, bad taste in the mouth, dark rings under the eyes, etc., The fact is, life is not worth living if you are a chronic sufferer from indigestion and biliousness.

When the stomach is out of order, the liver not working properly, your heart is obliged to do so much extra work, that it causes palpitation, faintness, and if not checked becomes dangerous.

To feel fresh and fit for your daily duties, you must keep your stomach well, your liver active, and the bowels regular; you can get into this healthy condition, by taking SEVEN BARKS; as a digestive tonic, and stomach remedy, it has no equal, and 50 years of continuous sale prove its wonderful merit.

Get at the root of your indigestion and constipation trouble by driving all poisons out of your system for good. No matter how chronic your case is, you can get quick relief by taking nature's remedy, SEVEN BARKS; one bottle costing 50c will prove its value. After you have proven its wonderful efficiency, you will never be without it. Ask your druggist for it.—Adv.

## NEWBURY

"All roads lead to Rome" and thus it seemed last Friday night that all roads lead to Newbury. It was Nellie Gill night and Chadwick hall was thronged with expectant people. The play, "The New Minister," attracted not only the common people, but those who wore the club.

Several of our villagers attended the graduation exercises of the high school class of 1919 at Haverhill academy last Thursday evening and were given the impression by the large assemblage that Haverhill people took an interest in their school and a special interest in this class.

An able address was given by Prof. Richard Whiskey of Durham, N. H. The salutatory address was given by Miss Alice Holt Morrill; class history, Marion Sadie White; class prophecy, Dorothy Irene Day; essay, "Winning of Success," Marion Elizabeth Holt; essay, "Liberty and Justice," Alice Elizabeth Humphrey. These young ladies, arrayed in white, graceful in carriage, gave evidence of their home and school training and were credited to themselves and their instructors.

It did not take much of a prophetic vision to see in them a future Mary A. Livermore, a Harriet Beecher Stowe, a Frances M. Willard or perhaps a Susan B. Anthony, or, better still, an agreeable and lovable companion to make smooth the pathway of life of some worthy man. We could not quite understand all the hints in the class prophecy, but we do feel that we express the sentiment of all present that one young lady in particular may live a useful life, live beyond the three score and ten limit, and if it is the desire of her heart, always to be young.
